

Accurate accounting. Actionable insights.

Take the next step in growing and institutionalizing your business through accurate and actionable accounting & financial insights. Avoid stressful surprises and improve your daily decision making, leading to revenue growth, cost reduction, cash flow improvement and minimized taxation.

- ▶ Benefit from customized easy-to-use dashboards that give you the confidence to make decisions with conviction.
- ▶ Our team partners with you to create solutions for your business's unique finance and accounting needs. Spend less time worrying about accounting and more time growing your business.

Institutional Quality Advice

We bring significant experience and a proven track record of execution to passionate owners seeking to take their business to the next level.

CFO Services

- ♦ Accurate monthly financial statements that withstand investor, lender and auditor scrutiny
- ♦ Budgeted vs. actual monthly/annual spending
- ♦ Custom Key Performance Indicator (KPI) dashboards with the data needed for timely business decisions
- ♦ Scenario planning (e.g., expansion, divestiture, sales expansion, etc.)
- ♦ Audit preparation work (for clients anticipating their first audit or struggling with the annual audit process often required by lenders or outside investors)
- ♦ 13-week cash flow forecasting
- ♦ Custom ad hoc analysis
- ♦ Business and personal tax planning, preparation and filing

Tax Services

- ♦ Prompt response
- ♦ Proactive communication throughout the year
- ♦ Available for ad hoc questions
- ♦ Tax planning for minimized tax expense
- ♦ Tax preparation for business entities (e.g., LLCs, partnerships, C corps, S corps) and high net worth individuals
